

Lifetime Agility Rankings

by Miki Shannon – trolleygld@aol.com

Rankings compiled by AKC, considering all dates of MACH competition; but limited to events processed through Saturday, January 31, 2009. First in order of MACH points, one point for each full second under time, with first placements earning double points and second placements earning one and a half points. Second, in order of double Q's earned, where a dog qualifies in both Excellent B Standard and Excellent B Jumpers in the same agility trial. In order to earn a MACH title a dog must earn 750 points and 20 double Q's. Please contact Miki if you have any questions or comments.
