Incident Report: Explain here any unusual happenings, including dogs disqualified, dismissed, or excused for any reason; event committee hearings; and complaints or protests. Use the back of this form for more room.

#3: Dog attempted to attack Mr Carr, the evaluator, and was disqualified. Mr Carr suffered no injury.

#7: Dog was judged to have an undershot bite by Mr. Carr. Both Adams and Bartlett considered the bite extremely irregular, but not undershot.

#9: This dog became ill (vomiting) before evaluations were completed, and was excused.

#10: This dog growled at Mr. Carr and Ms Bartlett, and was dismissed before being seen by Mr. Adams. Owner denied the dog was growling, but Mr. Jones, the ring steward, attested that he heard the dog snarl and saw the handler holding the dog's muzzle closed.
