Wrapping up Day 2

Other than pending results for Graduate novice (technical error), and Agility (which has no reporter-volunteers), I believe we have everything posted for another day at the National.

Again - these results are ALL unofficial!!!!

Thanks to the volunteers who are making this possible. If you want to help tomorrow, please e-mail me or contact Sharon Bolton at the show site. It is taking a lot of time and work by a lot of people to make this happen. Even if you can provide the results for one or two classes it would be helpful. And if you would like to see Agility results here - we just need someone to text, call or e-mail the numbers and our intrepid team of typists will get the results posted faster than a JWW run (slight exaggeration - but I think we are pretty quick).

A special note of thanks to Foy Trent who provided us a copy of the electronic catalog. I am sorry, I cannot share this with anyone, please don't ask any more!

It is making the job of posting much easier, however, as we can copy and paste results instead of typing it all again!

Congratulations to all the winners (especially my grand-babydog who WON the Derby (shameless plug)).

Goodnight!
