

## Terry Combs Interview

What are (were) the main courses you taught?

What year did you start teaching?

When did you stop teaching?

What state and school district did you teach in?

Are you comfortable with teachers contacting you through an e-mail address, if they have questions? If so, we would post the e-mail address with your bio.

What got you started on this curriculum? Any difficulties in pursuing it through the school district school system? Advice for teachers? How do you see teachers using it?

Photo? Can be with your dogs.
